Our Lady of Good Counsel, Gatton is committed to high quality learning and teaching for the students enrolled at our school.

Situated within the Archdiocese of Brisbane, Our Lady of Good Counsel is founded on Christ and the Mercy Charism and is at the service of our students, families, society and the Church. As a system school under the administration of Brisbane Catholic Education, and, in compliance with the requirements of the *Working with Children (Risk Management and Screening) Act 2000* and the *Working with Children (Risk Management and Screening) Regulation 2011*, Our Lady of Good Counsel has developed a Child and Youth Risk Management Strategy (CYRMS) which references system wide policies and procedures which support the safety, protection and well-being of students and is contextualised to our school environment. We value a supportive and caring environment. We strive to provide:

- a welcoming and friendly community which respects our cultural heritage and is eco-friendly
- a firm, fair and consistent community that fosters a sense of belonging
- a safe and just educational setting

Codes of Conduct

BCE has developed codes of conduct and standards of behaviour for employees, students, volunteers (including parents) and other personnel in consultation with relevant parties. These codes of conduct set out BCE's requirements in relation to the conduct of employees who work at Our Lady of Good Counsel, together with students, volunteers and other personnel at the school and contain specific information on interacting with students.

BCE employees who work at Our Lady of Good Counsel are also bound to comply with BCE's Statement of Principles for Employment in Catholic Schools or the Statement of Principles for Employment in Catholic Education and other relevant professional standards (for example, the Australian Professional Standards for Teachers and the Australian Professional

Standards for Principals which describe effective, contemporary practice for teachers and principals).

BCE Employee Code of Conduct

The Catholic Education Archdiocese of Brisbane [Code of Conduct](#) (“Code of Conduct”) sets out the standard of behaviour required of BCE employees working at Our Lady of Good Counsel. All BCE employees must comply with the [Code of Conduct](#), including employees employed on a temporary, casual, fixed term or continuing basis.

The [Code of Conduct](#) states that BCE employees must act appropriately and professionally at all times in their interactions with students and observe appropriate boundaries, behaviour and contact with students. In addition, the [Code of Conduct](#) covers the employees’ duties in relation to risk management and duty of care obligations to students.

The [Code of Conduct](#) is uploaded on BCE’s Public Website and Intranet. The Principal at Our Lady of Good Counsel facilitates enrolment in the online Code of Conduct training for school employees at the time of induction for all new staff and annually for all other staff.

Student Behaviour Support Policy

Our Lady of Good Counsel has developed a Student Behaviour Support Plan for the school, known as the Behaviour Support Plan 2019 - 2021 in consultation with all groups in the school community and in accordance with BCE’s Student Behaviour Support Policy. The Student Behaviour Support Plan has been implemented for a whole school approach to support student behaviour in the school environment.

Student Behaviour Support Plan reflects the shared values and expectations of the school to student behaviour support and encourages a supportive Catholic school environment. The Student Behaviour Support Plan includes a student code of behaviour which is guided by BCE’s Student Behaviour Support Policy. The Student Behaviour Support Plan is readily accessible to students and parents and is uploaded on the Parent Portal and the school’s website – www.olgcatton.qld.edu.au

Our school uses BCE’s Student Behaviour Support System (SBSS) to track the behaviour of students and proactively support student’s behaviour through data-based decision making. Our school is required to use the Student Behaviour Support System (SBSS) to document bullying/harassment incidents, drug related incidents, weapons incidents and all suspensions (both in school and out) for a period of one day or more. Schools are required to note a part time suspension on the student’s school file.

Volunteer and Other Personnel Code of Conduct

BCE has developed a Volunteer and Other Personnel Code of Conduct which outlines the standard of behaviour which is required of volunteers (including parents) and other personnel in their activities in the school, including the need to think and act safely and treat students and staff with respect.

Our Lady of Good Counsel takes the following actions to ensure that the BCE Volunteer and Other Personnel Code of Conduct is implemented in the school community:

- all volunteers and other personnel are able to access a copy of the Volunteer and Other Personnel Code of Conduct;

- all volunteers and other personnel are required to comply with the Volunteer and Other Personnel Code of Conduct to continue their voluntary/professional engagement at the school;
- all volunteers and other personnel have completed Student Protection Training via the interactive online training module [Volunteers/Other Personnel Training](#) located on the BCE Public Website; and
- all volunteers and other personnel must complete and sign the Volunteer and Other Personnel Register Sheet.

Training and Management of Employees

The Principal is required by BCE to ensure that all new BCE employees at Our Lady of Good Counsel are provided with induction training on the school’s processes and procedures, the values and expectations of BCE and the standard of behaviour required of employees in their interactions with students, to support BCE and Our Lady of Good Counsel to provide an environment that is safe and supportive for students.

All staff at Our Lady of Good Counsel must complete mandatory online training in BCE’s Student Protection Processes, annually. Student protection training covers BCE’s requirements under the Student Protection Processes in relation to reporting by staff of suspicions or allegations of:

- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff to students.

This training provides our staff at Our Lady of Good Counsel with strong skills to effectively respond to and report suspicions or allegations, as required by law. New employees must complete this training prior to commencing work with students at the school. All employees who work in BCE schools must complete mandatory online training in BCE’s Student Protection Processes, annually. In addition, the school’s newly appointed Student Protection Contacts complete BCE mandatory training for Student Protection Contacts to upskill them in receiving and managing disclosures from students.

Additional on-going training is provided by BCE and employees at the school are encouraged to attend. BCE has a dedicated Organisational Development Team which co-ordinates professional learning opportunities for BCE employees to enable BCE employees to enhance their professional or personal knowledge and skills. Our Lady of Good Counsel encourages its staff to attend professional learning courses. Many of the courses offered to employees relate to the safety and wellbeing of students. For example, courses are offered from time to time on bullying at schools, behaviour management of students, students at risk of harm and students with special needs.

Privacy training was introduced in 2018 for key school staff incorporating procedures for management of Mandatory Data Breach Notifications.

Where there is a complaint or allegation in relation to an employee of inappropriate behaviour, unsatisfactory performance or misconduct, the Principal (or in some cases, the Senior Leader – Learning and Identity or the Employee Relations Team at the BCE office) will take all appropriate management action, which may include requiring employees to undertake additional training, mentoring employees, explaining BCE’s and the school’s expectations and requirements to the employee, or dismissal. The BCE Staff Complaints Management Procedure and BCE Staff Misconduct Procedure sets out a clear process for handling complaints and allegations of misconduct.

BCE provides the Employee Assistance program to give free and confidential counselling to employees at the school who require support.

BCE promotes the capacity of staff to contribute to the mission of our organisation through ongoing professional development and professional learning. The BCE Performance and Development Policy and Planning and Performance Framework guide individual performance and development which is undertaken at all levels throughout the organisation. The Leadership Capability Framework articulates the requirements for BCE staff to model and promote a culture where student protection is the responsibility of everyone.

PART 3 - CONCERNS

Policies and procedures for handling disclosures or suspicions of harm

Student Protection Processes

BCE's [Student Protection Processes](#) provide a process for all staff who work at Our Lady of Good Counsel to recognise, respond and report allegations or suspicions of:

- sexual abuse/likely sexual abuse of students;
- harm or risk of harm to students caused by physical abuse, sexual abuse, emotional abuse or neglect; and
- inappropriate behaviour of staff to students.

The [Student Protection Processes](#) have been developed in accordance with the requirements of the *Education (Accreditation of Non-State Schools) Act and Regulation 2017*, the *Education (General Provisions) Act and Regulation 2006*, the *Working with Children (Risk Management and Screening) Act 2000* and *Working with Children (Risk Management and Screening) Regulation 2011*, the *Child Protection Act 1999* and the *Education (Queensland College of Teachers) Act 2005*. The *Student Protection Processes Catholic Education Archdiocese of Brisbane* document was reviewed and republished in keeping with the QCEC template that was developed in collaboration with BCE and other Catholic employing authorities. The BCE processes were approved by NSSAB in June 2017.

The [Student Protection Processes](#) are also underpinned by the Archdiocese of Brisbane Catholic Education Council's *Student Protection Policy (2018)* and complements the procedures developed by the National Committee for Professional Standards entitled *Towards Healing – Principles and Procedures in Responding to Complaints of Abuse Against Personnel of the Catholic Church in Australia (2010)* and the document entitled *Integrity in the Service of the Church (September 2011)*.

Reports are to be made to the Queensland Police Service in relation to allegations or reasonable suspicions of sexual abuse/likely sexual abuse of a student or to the Department of Child Safety, Youth and Women for harm/risk of harm to a student caused by sexual abuse, physical abuse, emotional abuse or neglect. If a report is made in relation to inappropriate behaviour of a staff member towards a student, that report will be handled by the Principal, with support from BCE's Professional Standards and Student Protection Team. All school-based employees must complete mandatory on-line training on BCE's Student Protection Processes annually. The Principal must ensure that all staff are student protection compliant.

The [Student Protection Processes](#) are readily available for employees, parents, students and carers and Our Lady of Good Counsel has uploaded the link to the Student Protection Processes on their school website.

BCE has processes to enable staff at Our Lady of Good Counsel to complete on-line a Record of Concern about any student protection concerns, including allegations or suspicions of sexual abuse or likely sexual abuse of a student, harm or risk of harm to a student or inappropriate behaviour of a staff member towards a student using the BCE Student Protection Case Management System.

BCE has developed a complaints procedure to enable parents or students at Our Lady of Good Counsel to make a complaint that the school has not complied with the Student Protection Processes. Parents or students may make a complaint via the Record of Complaint about Non-Compliance with BCE's Student Protection Processes located on BCE's public website. The Principal or Senior Leader – Learning and Identity will handle these complaints in accordance with BCE's Procedure for Handling Complaints about Non-Compliance with BCE's Student Protection Processes.

BCE undertakes a system review for serious breaches of policy, including to identify any system improvement to policy or procedure and address any additional training requirements for individuals.

School Student Protection Contacts

In accordance with the *Education (Accreditation of Non-State Schools) Regulation 2017*, Our Lady of Good Counsel has three stated staff members to whom a student can report behaviour of another staff member that the student considers is inappropriate.

The Principal is a Student Protection Contact at the school. The other Student Protection Contact is a staff member at the school. The role of the Student Protection Contact is to receive complaints and allegations from staff and students and to make or assist staff to make all reports as outlined in BCE's Student Protection Processes. The identity of the Our Lady of Good Counsel Student Protection Contacts is made known to staff, students, volunteers and parents through the school website, school newsletters, posters in the school and/or parent information nights.

Information about the Student Protection Contacts and requirements for their appointment is detailed within the Student Protection Processes.

Student Protection Officers

BCE has a Student Protection Team and Student Protection Officers working in this team are experts in the field of child protection. They all hold a degree in human services (generally social work) and have significant experience working in child protection.

Student Protection Officers assist our school-based employees in assessing sexual abuse and likely sexual abuse and harm caused or at a risk of being caused to students by sexual abuse, physical abuse, emotional abuse or neglect. They also offer support and guidance to Our Lady of Good Counsel during and after a student protection intervention, assist with compliance with the [Student Protection Processes](#) and develop and facilitate professional learning for staff.

A plan for managing breaches of the Child and Youth Risk Management Strategy

BCE and Our Lady of Good Counsel takes any breach of the BCE Child and Youth Risk Management Strategy or the Our Lady of Good Counsel Child and Youth Risk Management Strategy seriously. BCE has introduced a Student, Parent and Guardian Complaints Management [Policy](#) and Procedure. Breaches of any aspect of the Strategy may be dealt with as follows:

- if the alleged breach relates to the actions of an employee, this will be managed, as appropriate, in accordance with the BCE Staff Complaints Management Procedure, the

BCE Staff Misconduct Procedure or School Employee Unsatisfactory Performance Process;

- if the alleged breach relates to a report of inappropriate behaviour of a staff member to a student, this will be managed in accordance with the process set out in the Student Protection Processes;
- if the breach relates to a complaint made via the Record of Complaint about Non-Compliance with BCE's Student Protection Processes, that complaint will be dealt with in accordance with the Procedure for Handling Complaints about Non-Compliance with BCE's Student Protection Processes;
- if the breach relates to the actions of a volunteer or other personnel, this will be dealt with in accordance with the [Volunteer and Other Personnel Code of Conduct](#) and the procedures set out in the [Student Protection Processes](#), as appropriate; and
- if the breach relates to the action of a contractor this will be managed in accordance with BCE's contract with the contractor.

The actions or inactions which will constitute a breach of individual elements of the Strategy are detailed in the Code of Conduct and the Student Protection Processes. Details regarding management of any breach, including who manages the breach, are contained in the procedures mentioned above. All records are kept confidentially in BCE business information systems.

A risk management plan for high risk activities and special events

Risk Management Tools

Our Lady of Good Counsel considers all curriculum activities in terms of their inherent level of risk. When undertaking a medium or high-risk activity or special event, our school is responsible for identifying potential risks and considering the safety and wellbeing of students and the risk of harm to students.

Our Lady of Good Counsel develops and implements an effective risk management plan to remove or minimise the risk of harm to students. The plan includes risk assessments and risk mitigation which are carried out for all medium or higher risk activities undertaken within the school and all activities undertaken outside of the school. Our Lady of Good Counsel refers to information in relation to risk assessments for various activities and risk assessment tools provided on BCE's Health and Safety Portal on the BCE Intranet.

The Health and Safety Team at BCE provides support to our school, if requested, to help us carry out risk assessments and develop and implement a risk management plan. In addition, a dedicated Workplace Health and Safety Officer ("WHSO") is employed at Our Lady of Good Counsel (who is required to complete a Certificate 4 in Workplace Health and Safety within 12 months of commencing the role). The WHSO's role is to co-ordinate risk assessments at our school and support the Principal in carrying out the health and safety responsibilities under legislation. BCE provides training and updates to the WHSO.

BCE has developed a Contractor Induction Manual to give contractors information on BCE's Workplace Health and Safety Contractor Management System at BCE schools, so that contractors working at Our Lady of Good Counsel play their role in maintaining a safe environment for students.

Risk Management for Excursions and Fetes

The Principal is responsible for approving all excursions. The Principal has reference to BCE forms and fact sheets to assist in identifying, assessing and managing risks associated with excursions, for example, the BCE OH & S Fact Sheet: Excursions, OH & S Standard - Risk Management Form and the Risk Assessment Template Form. The Principal completes the Risk Assessment Template Form prior to each excursion. This form specifies that in carrying out a risk assessment, student protection risks must be assessed and managed.

In developing a high-risk strategy/plan Our Lady of Good Counsel takes the following into consideration.

- Establishes the context of the activity or event including:
 - the nature of the activity and your objectives in conducting it
 - the environment or location of the activity
 - the stakeholders involved in the activity including children and young people
 - identify the specific risks and identify the control measures that are already in place and whether additional controls are required.
- Addresses the following issues, if relevant:
 - Transportation
 - Toileting/change room procedures
 - Ensuring appropriate supervision of children and ratios of adults to children
 - Ensuring appropriate supervision of volunteers
 - A policy in relation to photographs
 - Managing medications and allergies
 - Managing illness/injury
 - Emergency/lockdown procedures
 - Relevant consent forms, including emergency contact details
 - Procedures applying to visitors
 - Any risks presented by the physical environment
 - Accommodation and supervision requirements.

The Principal may utilise BCE's International Travel Procedures to assist in planning for the safety of students participating in international travel.

Students undertaking IDT and hospitality undertake online safety training to assist teachers to ensure that students receive consistent safety training for the use of high-risk equipment in these curriculum areas.

The Principal completes the BCE Fete Safety Planning Checklist prior to a fete taking place. This Fete Safety Planning Checklist assists the Principal in managing the health and safety risks of conducting a fete. The Principal accesses links to relevant information provided on BCE's Health and Safety Portal, to assist in the risk assessment and management process, including the Fireworks Checklist, Amusement Devices Checklist, Contractors Workplace Health and Safety Agreement and information on the hygienic handling of food. A Contractor Agreement – School Fete has been implemented which among other things warrants that all the contractors personnel and approved subcontractors who interact with children and young people at the Fete hold a current Blue Card and it has no knowledge or reason to believe that any of its personnel or approved subcontractors may have acted inappropriately towards children or young people.

Other Strategies to Minimise Risks of Harm

Our Lady of Good Counsel takes seriously its commitment in relation to the safety and protection of students. BCE has developed policies and procedures to manage risks of harm to students, which our school complies with, for example:

Supervision – Our Lady of Good Counsel manages the supervision of students appropriately to ensure that there is adequate supervision of students. Our Lady of Good Counsel has appropriate supervision ratios to ensure the safety of students and prevent unsupervised access to children.

Supervision Arrangements – A teacher is on duty at 8.20am each morning. Students arriving prior to 8.20am must assemble in the undercover area between the Cahill and Long buildings.

Playground Supervision – Students are fully supervised at all times. Staff Duty Roster is updated each term.

Drop Off and Collection of Children – Designated drop off and collection points are located in Maitland and Spencer Streets as per the school's Traffic Management plan.

Procedure Followed in the Event a Child is Not Collected – If students are not collected by 3.20pm they are directed to Admin and Admin staff will contact parents.

Procedure to be Followed in the Event a Person Responsible for the Collection of a Child is Deemed Unable (for example, intoxication) – Administration and the school Leadership team will be advised. Alternative arrangements will be made for the student in consultation with the family to ensure the student's safety is prioritised. If required, local authorities will be contacted to assist in this process.

Emergency – Our Lady of Good Counsel ensures that all employees are briefed to appropriately handle emergency situations and critical incidents in accordance with BCE's Procedures for Responding to Critical Incidents.

Fire/Lockdown – Our Lady of Good Counsel ensures that all employees and volunteers are made aware of fire evacuation and lockdown procedures at the school.

Visitors/Outsiders – Our Lady of Good Counsel has procedures in place for the management of visitors and other outsiders, including relevant signage and directions, together with a visitor sign in register and procedures for signing in and out of the school.

Media/Communications strategies – Our Lady of Good Counsel obtains the permission of parents (using the Consent Form, All Forms of Media and Communications) for the use of student photographs and names in any materials issued to the public in printed or electronic form. Identifying information of students is not used in promotional material without the specific permission of the parents and the students concerned. Our Lady of Good Counsel obtains the specific informed consent of parents for any publication of names and photos of students in the media outside the local school.

Computer/Internet - All employees and students at Our Lady of Good Counsel are required to observe the Brisbane Catholic Education Email, Internet and Intranet Acceptable Use Statement. Our Lady of Good Counsel implements the BCE Acceptable Use of Computer and Internet Resource Consent Form in the school. The school staff adhere to BCE's Social Media Policy.

Guidance Counselling Service – The Guidance Counsellor at our school must obtain Informed Consent from a parent and/or student for participation in any guidance counselling services offered.

Transport of students by staff - Transport by staff will require the prior approval of the principal and the written permission of the parents. Principal approval will necessitate risk management involving, for example, an assessment of driver capability, confirmation of current driver's licence, insurance, road worthiness of vehicle, distance involved, any conflict with formal supervisory role for the teacher, gender mix and number of people travelling etc. This list is not exhaustive just indicative. Depending upon the proposed journey there may be other contextual factors to take into account. Transport in emergency circumstances may be acceptable, however, an attempt should be made to obtain the verbal consent of the principal and/or parent.

Transport of Students by Students - BCE requires BCE schools with secondary students to develop a policy regarding student motor vehicle drivers and passengers. Our Lady of Good Counsel observes the following BCE regulations and guidelines.

Regulations

1. *Legally a school is not responsible for students whose parents allow them to drive to school or to be passengers in cars driven by other students.*
2. *If the students are of an age which allows them to travel unsupervised, by public transport, to sport, it is permissible with parent permission and subject to school policy for them to drive their own cars to sporting venues during school hours.*
3. *Each school determines whether students may transport other students to school activities. Any such policy should be implemented only with parental consent and with the clear understanding that no liability attaches to the school. Such arrangements should not be implemented as an alternative to public or school organized transport. Further, guidelines should be strictly supervised.*
4. *Public transport or hire bus must always be available to all students for school activities.*
5. *Claims arising out of accident or injury in a private vehicle would be dependent upon the owner's insurance and on the application of common law principles.*

3. *Schools decide whether a particular parking area is established for students.*
4. *Schools decide when and if students are permitted to go to their cars during the school day, taking into account the adequacy of supervision.*
5. *Drivers should be warned that failure to observe all aspects of school and road safety rules could result in their not being permitted to bring their vehicles onto school property.*
6. *All students holding a driver's licence should be encouraged to complete a defensive driving course.*

Bathrooms and Toilets – Our Lady of Good Counsel has a range of protocols in place. Our Lady of Good Counsel has 2 student toilet blocks. The school uses a buddy system for all student movement to and from the toilets during class time. Supervision during break time is provided as per the duty roster in these areas. Staff are advised not to enter toilets whilst

in use by students. Inappropriate behaviour by students is addressed by staff from outside the main entry to the toilets. In the event staff are required to enter the toilets an announcement will be made from the entry and staff will only enter when two staff members are present.

Our Lady of Good Counsel complies with [BCE's Blue Card Screening Procedure](#) which details BCE's requirements in accordance with the *Working with Children (Risk Management and Screening) Act 2000* to ensure that the required personnel hold a Blue Card.

All employees, volunteers and trainee students who work at Our Lady of Good Counsel with children under 18 years of age are required by our school to obtain and hold a Blue Card (unless exempt), including:

- all school-based BCE employees who are not registered with either the QCT or the Australian Health Practitioner Regulation Agency;

Issues to be considered in the review may include:

- whether BCE and school policies and procedures were followed;
- whether any incidents/concerns relating to risk management regarding children and young people occurred;
- the effectiveness of the process used to manage any incidents;
- the effectiveness of BCE's and Our Lady of Good Counsel's policies and procedures in preventing or minimising harm to children and young people; and
- the content and frequency of training in relation to BCE's or Our Lady of Good Counsel's Child and Youth Risk Management Strategies.

Following the review, employees, parents and volunteers at Our Lady of Good Counsel will be advised of any significant changes to BCE's or Our Lady of Good Counsel's policies and procedures as a result of the review and where appropriate, training will be provided.

Strategies for communication and support

Student Protection Training

As discussed above, all staff working at Our Lady of Good Counsel must complete mandatory on-line training on BCE's [Student Protection Processes](#). The Principal is required to ensure that every staff member has completed the course.

BCE's [Student Protection Processes](#) are readily accessible to parents, students and staff at Our Lady of Good Counsel and parents, students and staff are made aware of the processes and the process for reporting behaviour of a staff member that a student considers to be inappropriate. The Principal ensures that the 'Recognise React Report' posters are displayed prominently in areas of the school frequented by students.

Training on the Child and Youth Risk Management Strategy

Our Lady of Good Counsel's Child and Youth Risk Management Strategy is uploaded on the school's website. The Principal implements and communicates Our Lady of Good Counsel's Child and Youth Risk Management Strategy to parents, employees, volunteers and other personnel by:

- placing the Child and Youth Risk Management Strategy on the school's website; and
- providing training to the school's employees by giving details on Our Lady of Good Counsel's Child and Youth Risk Management Strategy and BCE's Child and Youth Risk Management Strategy.
